1 The grand jury charges:

2 INTRODUCTORY ALLEGATIONS

3 At various times relevant to this indictment:

4 THE DEFENDANTS AND THEIR BUSINESSES

5 1. Defendant ZHIWEI LOOP LIAO, aka "Allen" (hereafter "ZHIWEI")
6 was married to defendant DAO TRIEU LA, aka "Selena," and "Denise,"
7 (hereafter "DAO"), and resided in San Diego, California. ZHIWEI was
8 brothers with ZHIMIN LIAO, aka "Jimmy" (hereafter "ZHIMIN"), and ZHITING
9 LIAO, aka "Tim" (hereafter "ZHITING"). ZHIWEI owned and controlled two
10 cell phone repair businesses: (1) Z-Tech Loop, LLC, and (2) Minutes
11 Repair, as well as a home remodeling business, Freedom Renovation, that
12 included space for Minutes Repair, and KZM Management Corporation. DAO
13 was listed as the chief executive officer of KZM Management Corporation.

14 2. Defendant ZHIMIN was married to defendant TAM THI MINH NGUYEN,
15 aka "Kelly" and "Actheart" (hereafter "TAM") and resided in San Diego,
16 California. ZHIMIN owned and controlled Mission Nails & Spa, which also
17 included a space for Minutes Repair. ZHIMIN was also listed as the
18 chief financial officer of Freedom Renovation.

19 3. Defendant ZHITING was married to MENGMEG ZHANG, aka "Aria"
20 (hereafter "MENGMEG") and resided in San Diego, California. ZHITING
21 owned and controlled Good MRO. ZHITING was also listed as the secretary
22 of Freedom Renovation.

23 4. Defendant XIAOMIN ZHONG, aka "Ming" (hereafter "XIAOMIN") was
24 married to a sister of the LIAO brothers and resided in China.

25 5. Defendants PHILLIP PAK, aka "Teddy" (hereafter "PHILLIP"),
26 CHARLEY HSU (hereafter "CHARLEY"), DEEDEE ZHU, aka "David," (hereafter
27 "DEEDEE"), HYU WEON YANG, aka "Will," (hereafter "HYU"), JIAYE JIANG,
28 aka "joejoekong" and "yipkong," (hereafter "JIAYE"), and DMITRI PIGAROV,

1 aka "Dima," (hereafter "DMITRI"), resided primarily in San Diego,
2 California.

3 TRADEMARKS AND COUNTERFEIT MARKS

4 6. A "trademark" was a word, phrase (such as a logo), symbol or
5 design (such as an icon), or a combination thereof, which identifies and
6 distinguishes the source of the goods of one particular manufacturer
7 from those of other manufacturers. A trademark was often a valuable
8 asset, equated with the goodwill of a business organization, which can
9 influence consumers in purchasing decisions. A "word mark" and a "mark
10 drawing" are types of trademarks. Trademarks were registered for use
11 in connection with particular types of goods or services.

12 7. A counterfeit mark was: (a) a spurious mark used in connection
13 with trafficking in goods; (b) identical with, or substantially
14 indistinguishable from, a mark registered for those goods or services
15 on the principal register of the United States Patent and Trademark
16 Office and in use, whether or not defendants knew such mark was so
17 registered; and (c) the use of which was likely to cause confusion, to
18 cause mistake, or to deceive.

19 APPLE, INC.

20 8. Apple Incorporated ("Apple") was a multinational corporation
21 headquartered in Cupertino, California that designed, developed, and
22 sold consumer electronic devices, computer software, online services,
23 and personal computers, including personal cellular telephones with
24 extensive computing capabilities known as the Apple iPhone ("iPhone")
25 and a tablet computer known as the Apple iPad ("iPad").

26 9. Apple was the owner of numerous trademark registrations with
27 the United States Patent and Trademark Office for its famous trademarks,
28 including: (1) Registration No. 3,679,056 for the Apple Logo,

(2) Registration No. 3,928,818 for the "Apple" word mark,
(3) Registration No. 3,669,402 for the "iPhone" word mark, and
(4) Registration No. 4,537,934 for the "iPad" word mark. All of these
Apple trademarks were in full force and effect and were not abandoned
at all times relevant to this Indictment.

10. All genuine Apple iPhones had an International Mobile
Equipment Identity ("IMEI") number, and a serial number, that are both
unique numbers to each device. All genuine Apple iPads had a serial
number that is unique to each device, and iPads with cellular
connectivity also had an IMEI number that is unique to each device.
Removing or altering IMEI or serial numbers of Apple iPhones and iPads
interfered with Apple's ability to control the quality of its products
bearing the Apple Marks, and the experience of Apple customers whose
IMEI and serial numbers were improperly replicated. As a result, an
iPhone or iPad without an accurate IMEI or serial number was not an
authentic Apple device.

11. Apple provided a one-year warranty for new iPhones and iPads
that warrants against product defects and allowed customers to return a
non-functioning device to Apple or an authorized Apple reseller and
receive a replacement device. Apple also sold insurance protection
plans, such as AppleCare+, that extend beyond one year and similarly
allowed a customer to return a non-functioning iPhone or iPad and receive
a replacement in exchange. It was the general practice of Apple to
exchange broken iPhones and iPads, that were covered by an Apple
warranty, for new genuine iPhone or iPads for a nominal fee.

PRIVATE AND COMMERCIAL INTERSTATE CARRIERS

12. FedEx, DHL, and UPS were multinational companies that provided logistics and shipping services, and were private and commercial interstate carriers.

COUNT 1

**Conspiracy To Commit Wire Fraud and Mail Fraud
[18 U.S.C. § 1349]**

13. The Introductory Allegations in paragraphs 1 to 12 are re-alleged and incorporated.

14. Beginning on an date unknown to the Grand Jury, but no later than October 2011, and continuing to a date unknown, but no earlier than on about August 2019, within the Southern District of California, and elsewhere, defendants ZHIWEI, ZHIMIN, ZHITING, XIAOMIN, PHILLIP, DAO, MENGMEG, TAM, DEEDEE, DANNY, CHARLEY, JIAYE, HYO, and DMITRI, knowingly and willfully conspired with each other, and other persons known and unknown to the grand jury, to commit the following offenses:

a. **wire fraud**, in violation of Title 18, United States Code, Section 1343; and

b. **mail fraud**, in violation of Title 18, United States Code, Section 1341.

OBJECT OF THE CONSPIRACY

15. Defendants ZHIWEI, ZHIMIN, ZHITING, XIAOMIN, PHILLIP, DAO, MENGMEG, TAM, DEEDEE, DANNY, CHARLEY, JIAYE, HYO, and DMITRI, along with others known and unknown to the Grand Jury, with the intent to defraud, knowingly participated in, devised, and intended to devise, a material scheme and plan to defraud, and to obtain money and property by materially false and fraudulent pretenses, representations and promises by exchanging broken counterfeit iPhones and iPads at Apple

1 Stores throughout the United States and Canada for new genuine iPhones
2 and iPads that would subsequently be shipped to China, and other foreign
3 countries, where the fraudulently obtained Apple products would be sold
4 at a premium in order to unjustly enrich the defendants.

5 **MANNER AND MEANS**

6 16. Members of the conspiracy used the following manner and means,
7 among others, to execute the fraudulent exchange scheme and accomplish
8 the object of the conspiracy:

9 a. ZHIWEI coordinated with XIAOMIN, and other
10 co-conspirators in China and other foreign countries, to ship
11 counterfeit Apple iPhones and iPads to co-conspirators in San Diego,
12 California. The counterfeit iPhones and iPads ordered by ZHIWEI were
13 made to appear as genuine Apple products through the inclusion of
14 identification numbers (IMEI and serial numbers) matching genuine
15 identification numbers on real iPhones and iPads that had been sold to
16 customers in the United States and Canada and were under warranty.

17 b. XIAOMIN and other co-conspirators in China shipped
18 packages containing counterfeit iPhones and iPads to ZHIWEI, which were
19 addressed to various co-conspirators and family members of
20 co-conspirators in San Diego, California. XIAOMIN also sent emails to
21 co-conspirators including ZHIWEI, ZHITING, and DAO, that included
22 spreadsheets and text documents reflecting identifying numbers (IMEI and
23 serial numbers) for the counterfeit iPhones and iPads which were shipped
24 to San Diego, California.

25 c. ZHIMIN, ZHITING, PHILLIP, DEEDEE, DANNY, CHARLEY, JIAYE,
26 HYO, DMITRI, and other co-conspirators, acted as "mules" at the direction
27 of ZHIWEI and traveled to Apple Stores throughout the United States and
28 Canada to exchange counterfeit iPhones and iPads for genuine iPhones and

iPads. Defendants intentionally damaged the counterfeit iPhones and iPads and fraudulently represented the counterfeit devices to be genuine Apple devices that were covered by an Apple warranty knowing that Apple would exchange damaged devices under warranty for new genuine Apple devices.

d. ZHIWEI, ZHIMIN, and other co-conspirators shipped packages of counterfeit iPhones and iPads to PHILLIP, DEEDEE, DANNY, CHARLEY, JIAYE, HYO, DMITRI, and other co-conspirators at hotels and other locations throughout the United States and Canada.

e. After they successfully exchanged broken counterfeit iPhones and iPads for new genuine iPhone and iPads, ZHIMIN, ZHITING, PHILLIP, DEEDEE, DANNY, CHARLEY, JIAYE, HYO, DMITRI, and other co-conspirators shipped the fraudulently obtained Apple products back to ZHIWEI and other co-conspirators in San Diego, California.

f. ZHIWEI, DANNY, and DEEDEE shipped packages containing fraudulently obtained iPhones and iPads to XIAOMIN, and other co-conspirators in China, and other foreign countries.

g. XIAOMIN and other co-conspirators initiated wire transfers at financial institutions in China, and other foreign countries to send money to ZHIWEI and other co-conspirators in the United States where the money was divided among co-conspirators, and used to pay for airline, hotel, and other travel expenses, Apple exchange fees, courier fees, and otherwise promote the counterfeit iPhone and iPad exchange fraud scheme.

h. Over the course of the conspiracy, defendants ZHIWEI, ZHIMIN, ZHITING, PHILLIP, DAO, MENGMEG, TAM, DEEDEE, DANNY, CHARLEY, JIAYE, HYO, and DMITRI, and other co-conspirators, traveled to Apple Stores in more than 40 states throughout the United States, as well as

Apple Stores in Canada, and attempted to exchange more than 10,000 counterfeit iPhones and numerous iPads for genuine iPhones and iPads. Defendants, and other co-conspirators, fraudulently exchanged at least 9,550 counterfeit iPhones and numerous counterfeit iPads at Apple Stores throughout the United States and Canada, and Apple conservatively estimates that the total loss associated with the counterfeit iPhone and iPad exchange fraud scheme exceeds \$6.1 million.

All in violation of Title 18, United States Code, Section 1349.
